Sunderland Clinical Commissioning Group

**East Sunderland Locality Patient Group
16th April 2013, Bangladeshi Community Centre**

Meeting Notes

- Additional copies of the Glossary of Terms are required after it is updated. It should be included with the CCG website.
- Aileen Sullivan (Lay PPI person on the CCG Governing Body) outlined her role and responsibilities.
- The National Commissioning Board (NCB) has undergone a name change and is now known as NHS England.
- A link should be added to the CCG website to NHS choices.
- David Robinson (Locality Commissioning Manager) and Eric Harrison (Locality Practice Manager Lead) took the group through the Public Health document detailing the demographics and health needs of the East community. This document was discussed at length raising some queries which could not be answered.
- It was agreed to invite Public Health and Local Authority colleagues to the next meeting to explain their role with respect to the CCG and the community

Next meeting: Tuesday 21st May 2013, 10.30am -12.30pm, Bangladeshi Community Centre
