Notes and Assumptions (**SCCG use only**)

- Data from TRACC accessibility modelling, Google maps journey planner, and map research
- Example location ('far as possible' from service) is Kineton Way, Sunderland SR2.
- Public transport 'before' and 'after' is No 60 bus plus No 10 bus.
- 'Up to' figures represent a random location on the boundary of the locality and the closest relevant service, eg. UCC, GP, SEAS, or ED.

Across Sunderland info:

- Data references 10am-12pm time period.
- **This data references PT because it is the worst case. Car access is better.**
